SUPPLEMENT TO REPORT NO.

- From May to August 1950, about one hundred and fifty Soviet 30 ton tanks were observed in Bucharest en route toward the Bulgarian border. The crews of these tanks were Rumanian but the drivers and mechanics were Russian.
- 2. There are approximately six thousand Soviet military personnel at the Pipera airfield.
- 3. Anti-aircraft emplacements are under construction in the environs of Bucharest at the village of Militari, near the Pipera airfield.
- 4. Most military transports in Bucharest are new Skoda vehicles.
- 5. At Soseaua Militari in Bucharest there is a textile factory which manufactures cloth for the army. Mearby is the Dinamo Cotroceni factory which repairs all armored vehicles as well as trucks and cars. The area is defended by antiaircraft guns.
- On Calea 13 Septemorie, there is a factory manufacturing fire-fighting equipment and locomotive parts. There are about four thousand people employed there.
- 7. There is a shell-loading plant located at 55 Boulevard Tudor Vladimirescu where 6,000 workers are employed on continuous shifts.
